

Yountville—a veterans home, the largest in the country, serving the most veterans in the country.

This was a particular program designed to help Iraq and Afghanistan veterans who were coming home with serious problems.

These three women got up every morning, they put on their clothes, they kissed their families good-bye, they walked out the door to do one thing and one thing only, and that was to help troubled veterans.

And on Friday, they were murdered. They were held hostage and gunned down in cold-blooded murder. One more senseless act of gun violence.

Mr. Speaker, I would like this body to recognize a moment of silence for Christine Loeber, the executive director of The Pathway Home program at the California Veterans Home in Yountville; Dr. Jennifer Golick, the clinical director and staff psychologist; and Jennifer Gonzales, the clinical psychologist with the San Francisco Department of Veterans Affairs, who was on assignment at The Pathway Home and was also pregnant.

#### REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.J. RES. 50 AND H.R. 60

Mr. SCHWEIKERT. Mr. Speaker, I ask unanimous consent to remove my name as cosponsor on H.J. Res. 50 and H.R. 60.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arizona?

There was no objection.

#### THE SAVANNAH HOPE STILLBIRTH CHILD TAX CREDIT

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Mr. Speaker, I rise today as the author of the Savannah Hope Stillbirth Child Tax Credit Act, which would allow a one-time refundable tax credit after the stillbirth in a family, the same amount that is given for the existing child tax credit.

The bill is named after Savannah Schumacher, a baby that Steve and Jill Schumacher from Eden Prairie, Minnesota, lost at 33 weeks.

Mr. Speaker, families of stillborn children not only face medical expenses that aren't always covered by insurance, but they face burial, cremation, and grief counseling costs that add up to be very significant expenses.

Minnesota is among the States that have already enacted these credits at the State level. And while a tax credit can't make up for the loss of a child, it does acknowledge that child's existence, even though he or she passed away before birth, and it will hopefully help support grieving families that have gone through the unthinkable.

#### CONGRATULATING IMPACT CHRISTIAN TV NETWORK

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise to honor the country's only African-American owned Christian television network, the IMPACT Christian TV network.

Over the weekend, at Metropolitan Baptist Church in Newark, New Jersey, I joined IMPACT for the celebration of their launch onto the Altice family of programming. The launch is a big step for Altice and people across the Nation.

The partnership between IMPACT and Altice means that the country's only African-American owned and operated Christian television network will now reach more than 85 million homes around the world.

As we have seen with the "Oscars So Black" movement and spotlight on inequality in film and television, people across the country are demanding increased diversity in programming.

IMPACT's launch on Altice is another step in the right direction. It is a historic pairing that will bring diversity and ministry to millions of homes.

I would like to point out that, in my district, the 10th Congressional District of the State of New Jersey, I want to commend two local heroes for helping move this effort forward.

I want to commend Reverend Dr. David Jefferson of Metropolitan Baptist Church and the IMPACT team, and Marilyn Davis and the Altice team for what they did to make this launch happen.

#### THE TOMPKINS FALCONS ARE WINNERS

(Mr. OLSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. OLSON. Mr. Speaker, in 1898, the Katy school district opened. In those 120 years, no Katy team ever played in the Texas Men's Basketball Championship.

The Tompkins Falcons have only been around for 5 years. Yet, 4 days ago, those 5-year-old Falcons led Katy to its first Texas 6A finals. They came up 1.1 seconds short, losing by 2 points in overtime.

There is an old saying in Texas: You see the true character, the true heart of a team, in defeat, not victory. That means the Tompkins Falcons have the biggest hearts in Texas.

The best example is the words of the Falcons star senior Jamal Bieniemy: "We still have life after basketball. We still have to wake up. We still have to breathe and live for each other."

I will close with words from Falcons head coach Bobby Sanders: "It was gratifying we got this far. I am proud of them."

Mr. Speaker, on behalf of 850,000 Texans in Texas 22, I want to say: Darn straight, coach. Darn straight.

#### AUSTIN BOMBINGS

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Mr. Speaker, as the senior member on the Judiciary Committee, I remember dealing with church bombings some few years ago. So I rise today to acknowledge my colleagues in Austin and to express my sympathy for the bombing deaths that occurred with a nondescript package being left at the homes of African Americans and a Hispanic.

I believe action is needed now, and I certainly thank law enforcement for engaging ATF and the FBI. But I think it was important that when the first bombing occurred, notice generally should have been made about nondescript packages at the homes of individuals.

We know the facts are not all in. The investigation is ongoing. However, the Federal Government can be of help to local law enforcement that I know is working hard. We want to be there for them. But it is important to take note, and I want my constituents to be aware, that nondescript packages, until this dastardly individual is found, please call the police in whatever jurisdiction you are in in the State of Texas, and let's hope that we can find this person as quickly as possible.

Mr. Speaker, my deepest sympathy and prayers are with those who already lost their life.

#### LEGAL IMMIGRATION

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, I rise tonight to commend and welcome President Trump to California, where, amongst other things, he is looking at the technology with which to control our borders, an obligation we have as a State, but more so as a country whose jurisdiction it is.

We welcome legal immigration to our State and to our country, not illegal immigration or the other euphemisms that are used, undocumented immigrants, what have you.

Indeed, if we don't have borders, we don't really have a nation. So let's get cracking on controlling our borders and having a legal immigration process. It is better for the immigrants, it is better for the security of our Nation, and it is better for its people. That is all it is about. It is really that simple.

#### EXPERIMENTAL DRUGS

(Mrs. CAROLYN B. MALONEY of New York asked and was given permission to address the House for 1 minute.)

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, I rise to speak against the Right to Try Act.
